KATA PENGANTAR

Proceeding of The International Global Tourism Science and Vocational Education, which has the number E-ISSN: 3047-8669 and P-ISSN: 3047-8677. It is a collection of scientific papers or articles that have been presented at the National Research Conference which is held regularly every year by Sekolah Tinggi Pariwisata Ambarukmo Yogyakarta. The topics of the papers published in the **Proceeding of The International Global Tourism Science and Vocational Education** the sub-groups of tourism, Community Based Tourism (CBT); friendliness; hotel; tourism marketing, tourism management; travel industry; rural tourism; cultural tourism and cultural heritage and even management related to the tourism and hospitality sector.

Proceedings of The International Global Tourism Science and Vocational Education Publishes The Only Paper That Strictly Follows The Guidelines And Template For Manuscript Preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by members of the editorial team (according to the area of specialization) and will be screened by the managing editor to meet the criteria required for publication. Manuscripts will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their areas of specialization. **Proceedings of The International Global Tourism Science and Vocational Education** Has Reviewed the Form to Keep the Same Items Reviewed by Two Reviewers. Then the Editorial Board Makes a Decision Based on the Reviewers' Comments or Suggestions. Reviewers provide assessments of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature studies, case reports and concept or policy articles in all areas of hotels; tourism marketing, tourism management; travel industry; rural tourism; cultural tourism and cultural heritage and event management related to the tourism and hospitality sector. The articles that will be published are original works and have never been published. Incoming articles will be reviewed by a team of internal and external reviewers.

The Editorial Board will continue to strive to improve the quality of the journal so that it can become an important reference in the development of science. Deepest appreciation and thanks to Mitra Bestari, members of the editorial board and all parties involved in publishing this journal.

Regards,

Chief Editor
